

Inclusion Charter

Here at Wellbrook School we will:
always be kind to others
be honest and always tell the truth
be responsible for our own behaviour
think about how our actions and words affect others
not judge others for their protected characteristics
e.g. gender, race, age, sexual orientation or religion.
speak up for others if they need help
not keep quiet if we are being bullied or see others in distress
not judge people who are different from us
not intentionally hurt other people feelings.
resolve conflict to ensure it does not continue
ensure Wellbrook School is a safe and nurturing environment for all.
