In line with our statutory duty to publish the number of formal complaints received each academic year, we confirm that the school received 0 formal complaints in 2024–2025.

Introduction

At Wellbrook School, we strive to provide every child with the opportunity to unlock their potential. We honour and celebrate their individuality and tailor our instruction to their personal needs. Our goal is to nurture self-confidence and provide students with the support necessary to help them reach heights they didn't think were possible. We want parents to imagine the possibilities when they walk through our doors and be filled with hope as they see their children achieve beyond their expectations. We strive to be a place where children feel they belong and can thrive.

It is our intention to ensure that we achieve our mission and that our stakeholders are satisfied with our facilities and services. To that end, we invite stakeholders to let us know if they think we are not living up to our commitment. This policy outlines the procedures that can be used to raise concerns or complain about our facilities or services. An up-to-date copy of this policy will be published on the school website according to the requirements of paragraph 32 of the Independent School Standards,

Who can make a complaint?

This complaints procedure is not limited to parents or carers of children that are registered at the school. Any person, including members of the public, may make a complaint to Wellbrook School about any provision of facilities or services that we provide. Unless complaints are dealt with under separate statutory procedures, we will use this complaints procedure.

The difference between a concern and a complaint

A concern may be defined as 'an expression of worry or doubt over an issue considered to be important for which reassurances are sought'.

A complaint may be defined as 'an expression of dissatisfaction however made, about actions taken or a lack of action'.

It is in everyone's interest that concerns and complaints are resolved at the earliest possible stage. Many issues can be resolved informally, without the need to use the formal stages of the complaint's procedure. Wellbrook School takes concerns seriously and will make every effort to resolve the matter as quickly as possible.

If you have difficulty discussing a concern with a particular member of staff, we will respect your views. In these cases, the Headteacher, will refer you to another staff member. Similarly, if the member of staff directly involved feels unable to deal with a concern, the Headteacher will refer you to another staff member. The member of staff may be more senior but does not have to be. The ability to consider the concern objectively and impartially is more important.

We understand however, that there are occasions when people would like to raise their concerns formally. In this case, Wellbrook School will attempt to resolve the issue internally, through the stages outlined within this complaint's procedure.

How to raise a concern or make a complaint

A concern or complaint can be made in person, in writing or by telephone. They may also be made by a third party acting on behalf of a complainant, as long as they have appropriate consent to do so.

Concerns should be raised with either the class teacher or Headteacher. If the issue remains unresolved, the next step is to make a formal complaint.

Complainants should not approach individual members of the governance committee to raise concerns or complaints. They have no power to act on an individual basis and it may also prevent them from considering complaints at Stage 3 of the procedure.

Complaints against school staff (except the Headteacher) should be made in the first instance, to the Headteacher via the school office. Please mark them as Private and Confidential.

Complaints that involve or are about the Headteacher should be addressed to the Chair of the Governance Committee via the school office. Please mark them as Private and Confidential.

For ease of use, a template complaint form is included at the end of this procedure. If you require help in completing the form, please contact the school office. You can also ask third party organisations like the Citizens Advice to help you.

In accordance with equality law, we will consider making reasonable adjustments if required, to enable complainants to access and complete this complaints procedure. For instance, providing information in alternative formats, assisting complainants in raising a formal complaint or holding meetings in accessible locations.

Anonymous complaints

We will not normally investigate anonymous complaints. However, the Headteacher or Chair of the Governance Committee, if appropriate, will determine whether the complaint warrants an investigation.

Time scales

You must raise the complaint within three months of the incident or, where a series of associated incidents have occurred, within three months of the last of these incidents. We will consider complaints made outside of this time frame if exceptional circumstances apply.

Complaints received outside of term time

We will consider complaints made outside of term time to have been received on the first school day after the holiday period.

Scope of this Complaints Procedure

This procedure covers all complaints about any provision of community facilities or services by Wellbrook School, other than complaints that are dealt with under other statutory procedures, including those listed below.

If other bodies are investigating aspects of the complaint, for example the police, local authority (LA) safeguarding teams or Tribunals, this may impact on our ability to adhere to the timescales within this procedure or result in the procedure being suspended until those public bodies have completed their investigations.

If a complainant commences legal action against Wellbrook School in relation to their complaint, we will consider whether to suspend the complaints procedure in relation to their complaint until those legal proceedings have concluded.

Resolving complaints

At each stage in the procedure, Wellbrook School wants to resolve the complaint. If appropriate, we will acknowledge that the complaint is upheld in whole or in part. In addition, we may offer one or more of the following:

- an explanation
- an admission that the situation could have been handled differently or better.
- an assurance that we will try to ensure the event complained of will not recur
- an explanation of the steps that have been or will be taken to help ensure that it will not happen again and an indication of the timescales within which any changes will be made.
- an undertaking to review school policies in light of the complaint.
- an apology.

Withdrawal of a Complaint

If a complainant wants to withdraw their complaint, we will ask them to confirm this in writing.

Stage 1: Informal Resolution

Informal complaints can be raised in person or over the telephone.

If a parent/ carer is raising the concern, this can initially be raised with the class teacher of the pupil concerned. In many cases, the matter will be resolved straight away by this means to the parents' satisfaction. If the teacher cannot resolve the matter alone, it may be necessary for him or her to consult the Headteacher.

Complaints about school facilities, services, or staff (except the Headteacher) should be made in the first instance, the Headteacher via the school office.

Complainants should not approach individual members of the governance committee to raise concerns or complaints. They have no power to act on an individual basis and it may also prevent them from considering complaints at Stage 3 of the procedure.

Complaints that involve or are about the Headteacher should be made to the Chair of the Governance Committee, via the school office.

The person dealing with the complaint will make a written record of all concerns and complaints and the date on which they were received. Should the matter not be resolved within **10 school days** complainants may proceed with their complaint in accordance with Stage 2 of this Procedure.

Stage 2: Formal Resolution

Formal complaints must be made to the Headteacher (unless they are about the Headteacher), via the school office. This may be done in person, in writing (preferably on the Complaint Form), or by telephone. Written complaints must be marked private and confidential.

The Headteacher will record the date the complaint is received and will acknowledge receipt of the complaint in writing (either by letter or email) within **5 school days**.

Within this response, the Headteacher will seek to clarify the nature of the complaint, ask what remains unresolved and what outcome the complainant would like to see. The Headteacher can consider whether a face-to-face meeting is the most appropriate way of doing this.

Note: The Headteacher may delegate the investigation to another member of the school's senior leadership team but not the decision to be taken.

During the investigation, the Headteacher (or investigator) will:

- if necessary, interview those involved in the matter and/or those complained of, allowing them to be accompanied if they wish.
- keep a written record of any meetings/interviews in relation to their investigation.

At the conclusion of their investigation, the Headteacher will provide a formal written response within **20 school days** of the date of receipt of the complaint.

If the Headteacher is unable to meet this deadline, they will provide the complainant with an update and revised response date.

The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions Wellbrook School will take to resolve the complaint.

The Headteacher will advise the complainant of how to escalate their complaint should they remain dissatisfied with the outcome of Stage 2.

If the complaint is about the Headteacher, or a member of the governance committee (including the Chair), a suitably skilled member of the committee will be appointed to complete all the actions at Stage 2.

If the complaint is:

- jointly about the Chair or
- the entire governance committee or
- the majority of the governance committee

Stage 2 will be considered by an independent investigator appointed by the governance committee. At the conclusion of their investigation, the independent investigator will provide a formal written response.

Stage 3: Appeal

- If the complainant is dissatisfied with the outcome at Stage 2 and wishes to take the matter further, they can escalate the complaint to Stage 3 – an appeal to a committee, which will be formed of the first three, impartial, members of the governance committee available and a person who is not involved in the management of the school. This is the final stage of the complaint's procedure.
- A request to escalate to Stage 3 must be made to the Chair of the Governance Committee, within **21 school days** of receipt of the Stage 2 response.
- The Chair will record the date the complaint is received and acknowledge receipt of the complaint in writing (either by letter or email) within **5 school days**.
- Requests received outside of this time frame will only be considered if exceptional circumstances apply.
- The Chair will write to the complainant to inform them of the date of the meeting. They will aim to convene a meeting within **21 school days** of receipt of the Stage 3 request. If this is not possible, the Chair will provide an anticipated date and keep the complainant informed.
- If the complainant rejects the offer of three proposed dates, without good reason, the Chair will decide when to hold the meeting. It will then proceed in the complainant's absence on the basis of written submissions from both parties.
- The complaints committee will consist of at least three members of the governance committee with no prior involvement or knowledge of the complaint and a person who is not involved in the management of the school. Prior to the meeting, they will decide amongst themselves who will act as the Chair of the Complaints Committee. If there are fewer than three members of the governance committee from Wellbrook School available, the Chair will source any additional, independent governors in order to make up the committee. Alternatively, an entirely independent committee may be convened to hear the complaint at Stage 3.

- The complainant will be invited to attend the meeting, they may bring someone along to provide support. This can be a relative or friend. Generally, we do not encourage either party to bring legal representatives to the committee meeting. Representatives from the media are not permitted to attend.
- At least **14 school days** before the meeting, the Chair will:
 - confirm and notify the complainant of the date, time, and venue of the meeting, ensuring that, if the complainant is invited, the dates are convenient to all parties and that the venue and proceedings are accessible
 - request copies of any further written material to be submitted to the committee at least **7 school days** before the meeting.
- Any written material will be circulated to all parties at least **5 school days** before the date of the meeting. The committee will not normally accept, as evidence, recordings of conversations that were obtained covertly and without the informed consent of all parties being recorded.
- The committee will also not review any new complaints at this stage or consider evidence unrelated to the initial complaint to be included. New complaints must be dealt with from Stage 1 of the procedure.
- The meeting will be held in private. Electronic recordings of meetings or conversations are not normally permitted unless a complainant's own disability or special needs require it. Prior knowledge and consent of all parties attending must be sought before meetings or conversations take place. Consent will be recorded in any minutes taken.
- The committee will consider the complaint and all the evidence presented. The committee can:
 - uphold the complaint in whole or in part
 - dismiss the complaint in whole or in part.
- If the complaint is upheld in whole or in part, the committee will:
 - decide on the appropriate action to be taken to resolve the complaint
 - where appropriate, recommend changes to the school's systems or procedures to prevent similar issues in the future.
- The Chair of the Committee will provide the complainant and Wellbrook School with a full explanation of their findings, recommendations, and the reason(s) for these, in writing, within **7 school days**. A copy of those findings and recommendations is to be made available for inspection on the school premises by the Proprietor and the Headteacher.
- The letter to the complainant will include details of how to contact the Department for Education if they are dissatisfied with the way their complaint has been handled by Wellbrook School.
- If the complaint is:
 - jointly about the Chair or
 - the entire governance committee or

- the majority of the governance committee
- Stage 3 will be heard by a committee of independent members of the governance committee.
- The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions Wellbrook School will take to resolve the complaint.
- The response will also advise the complainant of how to escalate their complaint should they remain dissatisfied.

Records

- Wellbrook School will keep records of all concerns and complaints
- The number of formal complaints received each year will be published on the school's website according to the requirements of paragraph 32 of the Independent School Standards

Next Steps

If the complainant believes the school did not handle their complaint in accordance with the published complaints procedure or they acted unlawfully or unreasonably in the exercise of their duties under education law, they can contact the Department for Education after they have completed Stage 3.

The Department for Education will not normally reinvestigate the substance of complaints or overturn any decisions made by Wellbrook School. They will consider whether Wellbrook School has adhered to education legislation and any statutory policies connected with the complaint.

The complainant can refer their complaint to the Department for Education online at: www.education.gov.uk/contactus, by telephone on 0370 000 2288 or by writing to:

Department for Education

Roles and Responsibilities

Complainant

The complainant will receive a more effective response to the complaint if they:

- explain the complaint in full as early as possible
- cooperate with the school in seeking a solution to the complaint
- respond promptly to requests for information or meetings or in agreeing the details of the complaint
- ask for assistance as needed
- treat all those involved in the complaint with respect
- refrain from publicising the details of their complaint on social media and respect confidentiality.

Investigator

The investigator's role is to establish the facts relevant to the complaint by:

- providing a comprehensive, open, transparent, and fair consideration of the complaint through:
 - sensitive and thorough interviewing of the complainant to establish what has happened and who has been involved
 - interviewing staff and children/young people and other people relevant to the complaint
 - consideration of records and other relevant information
 - analysing information
- liaising with the complainant and the complaints co-ordinator as appropriate to clarify what the complainant feels would put things right.

The investigator should:

- conduct interviews with an open mind and be prepared to persist in the questioning
- keep notes of interviews or arrange for an independent note taker to record minutes of the meeting
- ensure that any papers produced during the investigation are kept securely pending any appeal
- be mindful of the timescales to respond
- prepare a comprehensive report for the Headteacher or complaints committee that sets out the facts, identifies solutions and recommends courses of action to resolve problems.

The Headteacher or complaints committee will then determine whether to uphold or dismiss the complaint and communicate that decision to the complainant, providing the appropriate escalation details.

Committee Chair

The committee's chair, who is nominated in advance of the complaint meeting, should ensure that:

- both parties are asked to provide any additional information relating to the complaint by a specified date in advance of the meeting
- the meeting is conducted in an informal manner, is not adversarial, and that, if all parties are invited to attend, everyone is treated with respect and courtesy
- complainants who may not be used to speaking at such a meeting are put at ease. This is particularly important if the complainant is a child/young person
- the remit of the committee is explained to the complainant
- written material is seen by everyone in attendance, provided it does not breach confidentiality or any individual's rights to privacy under the DPA 2018 or GDPR.

If a new issue arises it would be useful to give everyone the opportunity to consider and comment upon it; this may require a short adjournment of the meeting

- both the complainant and the school are given the opportunity to make their case and seek clarity, either through written submissions ahead of the meeting or verbally in the meeting itself
- the issues are addressed
- key findings of fact are made
- the committee is open-minded and acts independently
- no member of the committee has an external interest in the outcome of the proceedings or any involvement in an earlier stage of the procedure
- the meeting is minuted

Committee Member

Committee members should be aware that:

- the meeting must be independent and impartial, and should be seen to be so

No member of the governance committee may sit on this committee if they have had prior involvement in the complaint or in the circumstances surrounding it.

- the aim of the meeting should be to resolve the complaint and achieve reconciliation between the school and the complainant

We recognise that the complainant might not be satisfied with the outcome if the meeting does not find in their favour. It may only be possible to establish the facts and make recommendations.

- many complainants will feel nervous and inhibited in a formal setting

Parents/carers often feel emotional when discussing an issue that affects their child.

- extra care needs to be taken when the complainant is a child/young person and present during all or part of the meeting

Careful consideration of the atmosphere and proceedings should ensure that the child/young person does not feel intimidated.

The committee should respect the views of the child/young person and give them equal consideration to those of adults.

If the child/young person is the complainant, the committee should ask in advance if any support is needed to help them present their complaint. Where the child/young person's parent is the complainant, the committee should give the parent the opportunity to say which parts of the meeting, if any, the child/young person needs to attend.

However, the parent should be advised that agreement might not always be possible if the parent wishes the child/young person to attend a part of the meeting that the committee considers is not in the child/young person's best interests.

- The welfare of the child/young person is paramount.
